

HOUE

EU ECOLABEL

At HOUE we are determined to ensure right steps are taken in creating responsible furniture, meaning considering both social and environmental impact in the things we do.

We do work with a systemic perspective, taking into account how things are always connected. Consequently, we base our decisions on facts and thorough documentation. As a natural consequence FALK Chairs and NAMI Chairs has been EU-Ecolabel certified. The EU Ecolabel works to reduce the overall environmental impact from production and consumption. Therefore, the EU Ecolabel evaluates the entire product lifecycle and the environmental problems that arise along the way – for the benefit of the environment, climate, humans and the earth's resources.

HOUE

FALK – EU ECOLABEL

EU Ecolabel:
DK/049/005

As a part of living up to EU-Ecolabel's criteria regarding consumer information (declaration 10), HOUE has produced this document outlining the relevant consumer information for the FALK Chairs

1. Product description

FALK - is a chair made from post-consumer plastic – directly from household plastic trash!

DIMENSIONS: Displayed under each product.

MATERIALS: Base: 4 leg construction or swivel with and without castors. Shell: household plastic trash. Upholstered seat in colored fabric made from 98% recycled post-consumer polyester or 48% New Zealand wool, 41% recycled post-consumer polyester, 9% polyamide, 2% polyester.

DESIGNED BY: Thomas Pedersen

2. Polymer types above 100 grams

The only plastic above 100 grams is the FALK shell, weighing: 3134 g (armrest) and 3406 g (low armrest). The recycled household plastic trash is marked with resin identification code "5".

The composition of the shell:
75% household plastic trash, 20% Glass fiber and 5% color pigment

3. Usage

FALK has a clear signature look but isn't overpowering in its appearance. This makes FALK fit equally well in a home, the hospitality market and in an office setting.

4. Information on glass types

Not relevant.

5. Compliance with fire safety

Not relevant, because no flame retardants have been added.

6. Declaration of non-use of biocides

HOUE hereby declares that no biocides are added to the product.

Further HOUE lives up to REACH and the European legislation.

7. Compliance with relevant EN standards

The FALK Chairs have undergone several tests and have passed the following:
EN 16139:2013, EN 1022:2005 and EN 16139

Further, HOUE declares that no flame retardants have been added to the product.

8. Assembly instruction

The assembly instruction is included with the product.

9.. Warranty and terms of conditions:

HOUE provides a 5 year warranty with the FALK Chairs.

For further terms and conditions:

<https://houe.com/Terms>

10. Provision of spare parts:

HOUE provides customers with spareparts free of charge within the first 5 years from the delivery date.

Contact information regarding spareparts can be found here: <https://houe.com/Contact>

11. Disposal guidance:

To dispose of the FALK chair, screw the base from the shell. If there is a seat, screw this off the shell.

Dispose each of these materials into their corresponding containers.

HOUE

NAMI – EU ECOLABEL

EU Ecolabel:
DK/049/005

As a part of living up to EU-Ecolabel's criteria regarding consumer information (declaration 10), HOUE has produced this document outlining the relevant consumer information for the NAMI Chairs

1. Product description

NAMI Chair – is a chair made from post-consumer plastic – directly from household trash!

DIMENSIONS: Displayed under each product.

MATERIALS: Base: 4 leg construction in powder coated steel. Shell: household plastic trash.

DESIGNED BY: Hans Thyge & Co

2. Polymer types above 100 grams

The only plastic above 100 g is the NAMI shell, weighing: 2189 g. The recycled household plastic trash is marked with resin identification code "5".

The composition of the shell:
92-98% household plastic trash and 2-8 % color pigment with UV protection.

3. Usage

The NAMI Chair designs are based on the forces and lines of nature and find their natural place outdoors. NAMI means wave in Japanese and refers to the organic expression found in these elegant garden chairs.

4. Information on glas types

Not relevant.

5. Compliance with fire safety

Not relevant.

6. Declaration of non-use of biocides

HOUE hereby declares that no biocides are added to the product.

Further HOUE lives up to REACH and the European legislation.

7. Compliance with relevant EN standards

The NAMI Chairs have undergone several tests and have passed the following:
EN 581-1:2017 and EN 581-2:2015+AC:2016

Further, HOUE declares that no flame retardants have been added to the product.

8. Assembly instruction

The assembly instruction is included with the product.

9. Warranty and terms of conditions:

HOUE provides a 5 year warranty with the NAMI Chairs.

For further terms and conditions:

<https://houe.com/Terms>

10. Provision of spare parts:

HOUE provides customers with spareparts free of charge within the first 5 years from the delivery date.

Contact information regarding spareparts can be found here: <https://houe.com/Contact>

11. Disposal guidance:

To dispose of the NAMI Chair, screw the base from the shell.

Dispose each of these materials into their corresponding containers.
